And unlike much of the canon itself (with the possible exception of Siouxsie & the Banshees, who had their moments), Savages are sexy—their music, while easily linked to post-punk’s anti-blues, “rip it up and start again” ethos, doesn’t entirely eschew rock ‘n’ roll’s carnal groove.. 05 Waiting For a Sign/06 Dead Nature/07 She Will/08 No Face/09 Hit Me/10 Husbands/11 Marshal Dear ADORE LIFE-01 The Answer/02 Evil/03 Sad Person/04 Adore/05 Slowing Down the World/06 I Need Something New/07 When In Love/08 Surrender/09 TIWYG/10 Mechanics.. SAVAGES MANIFESTO #2: SAVAGES is not trying to give you something you didn’t have already, it is calling within yourself something you buried ages ago, it is an attempt to reveal and reconnect your PHYSICAL and EMOTIONAL self and give you the urge to experience your life differently, your girlfriends, your husbands, your jobs, your erotic life and the place music occupies in your life.. Beth and Hostile—née Camille Berthomier and Nicolas Congé—have personal and musical roots that go deeper than this decade, down to 2006, when they left their hometown of Poitiers, France for London, where they launched their music project John & Jehn.

It reached number 19 in the UK Albums Chart in May 2013, and was critically acclaimed.. Just listen to "Strife"—the song would penetrate you sexually if it only had a cock.. "It was a very intimate project, something that was much more a way of life than a profession, which is what I consider the music to be now with Savages," says Beth.. Photo byRichard DumasSilence Yourself is the debut album by Savages, a ferocious, fully formed record that sounds like a lost transmission from the core of England's post-punk lineage.. OLE-1036-2; CD) Savagesare an English rockband formed in 2011 in London Their debut album, Silence Yourselfwas released on 6 May 2013 via Matador Records.. The comparison to the posthumously ubiquitous Manchester band is common, as is that of Beth's voice to Siouxsie Sioux and Gemma Thompson's guitar grind to PiL..
