

[Torrent Lume](#)

The screenshot shows the LimeTorrents website. At the top left is the logo "limetorrents.cc" with a lime slice icon. Below the logo is a navigation menu with radio buttons for "All torrents", "Movies", "Music", "TV", "Books", "Other", "Anime", "Software", "Games", "Pictures", "Mobile", and "Adult/Porn". A search bar is located below the menu. A green navigation bar contains links for "HOME", "BROWSE", "TOP TORRENTS", "LATEST TORRENTS", and "HD Movies". A "Security Recommendation" section is visible, with text that is partially obscured by a large blue circular overlay. The overlay contains the text "LIMETORRENT PROXY & MIRRORS" in yellow. Below the security section, there is a "Movies torrents" section with a table of torrent names. The table has a header "Torrent Name" and lists several entries, including "The.One.and.Only.Ivan.2020.720p.WEBRip.x264.AAC2.0-MP4", "Rogue.2020.1080p.BluRay.H264.AAC-RARBG", and "The.One.and.Only.Ivan.2020.1080p.WEBRip.x264.AAC5.1-RARBG".
